hat the argre, more than almost any
sther type of the human species, is be, narure and training an imitative creatura.

All Who Write.

Free trial packages of a most remarkable remedy are being mailed to all who will write the State Medical Institute. They cured so many men who had battled for years against the mental and physical suffering of lost manhood, that the institute has decided to distribute free trial packages to all who write. It is a home treatment and all men who saffer with any form of sexual weakness resulting from youthful felly, premature less of strength and memory, weak back, varicocele, or emediation of parts can now cure themselves at home.

The remedy has a peculiarly grateful effect of warmth and seems to act direct to the desired location, giving strength and evelopment just where it is needed, it cares all the life and fragilies that come from years of misuse of the natural functions and has been an absolute success in all cases. A request to the State Medical Institute, 462 Elektron building. Fort Wayne, Ind., stating that you dealre one of their free trial packages will be compiled with promptly. The institute is desirous of reaching that great class of men who are unable to leave home to be treat ed and the free sample will enable them to see how case it is to be cured of sexual weakness when the proper remedies are employed. The liastitute makes no restrictions. Any man who writes will by sent a free sample, carefully sealed in a plain package so that its recipient need have no fear of embarrassment of publicity. Readers are requested to write without cut delay.

11 the afternoon at 5 o'clock memorial services, followed by the planting of salt cettars and oleanders on the beach at the foot of Broadway, will be observed. The women's Health Protective association has charge of this ceremony and is preparing charge of this ceremony and is preparing the planting will be delivered by Rev. Father Kirwin and Colonel R. G. Street. Rev. W. M. Harris will lead in prayer and the tree planting will be led by children and assisted by grown persons.

Differences Not Adjusted.

Galveston, Texas, September 6.—The dif-ferences between the water commissioners and the firm of Charles Clarks & Co. It regard to the upoving of the steamship Roma across the water main have not ye been settled. The bond of \$50,000 re quired by the board of water commission ers has been given and is satisfactory, but there is a question in the mind of some of the commissioners in regard to whether or not the bond could be attacked unity the circumstances, therefore they insist upon a certified check of \$25,000 in addition to the bond. This check was in cluded in the contract by which the bond was required and it was understood that liere would be no trouble in getting it. It Captain Clarke had told President Lance of the board of water pomulasioners the he had collateral valued at between \$200, on and \$250,000 and agreed to give the check. ers has been given and is satisfactory, but

coo and \$250,000 and agreed to give the check.

This morning Captain Clarks apposed before the commissioners with J. Louit of the firm of Adone & Lobit, who are histories. He stated that he had been unable to secure the certified check of his bank ors and Mr. Lobit also confirmed his statement, saying that under the circumstances he would not give the certified check for this amount if he had double the value of the check in government bonds as collisies. Mr. Lobit said that if the commissioners insisted on having the check for total amount the ship would not be moved. President Lange of the water commissioners said that the commissioners could not after their demand and the meeting adjourned without any agreement being reached.

The injunction preventing the moving of

The injunction preventing the moving of the vessel remains in effect.

Kaufmann's Bond. Galveston, Texas, September 6.-The habeas corpus hearing of H. Kauffmann charged with the murder of his wife. Mrs E. Kauffmann, took place this morning Johnson appeared in behalf of the de-fendant and said that in view of the result of the analysis of the stomach of the de-cetted, performed by Prof. Morris, there was no chance of the State securing a conwis he chance of the State securing a control in the case, and asked that the season of the defendant be fixed at \$500 Å report of the analysis performed Prof Morris, which has been previous malablehed in The Post, showing that the published in The Poet, showing finat there was no trace of assente polson found in the stemach of the decreased, was submitted at the exidence at the coroner's inquest and the exidence at the coroner's inquest and the examining trial, which were performed at one time, was also road.

Attorney Revision, attorney for the State said that while the test showed there was not the slightest trace of arsente there might have been some office poison, but as there is no possible chance have of ascertaining whether or not any other poison was in the stomach, the only evidence the State has not submitted is a formal analysis of the recon to which Druggist Flyon of the John Scaly hospital said that be ad applied rough tests, and which he thought contained arsenic. This has not yet been analyzed.

Jadge Franklin fixed the bond of the detendant at \$500.

NEGROES ARE TURBULENT.

Said to Be Threatening the Town of Mill Creek, I. T. Sherman, Texas, September 6, This morning at an early hour J. W. Arnold, a merchant of Mill Creek, I. T., called the county

jail by wire and asked the immediate assistance of the sheriff and all the force he

could immediatly command, as well as bloodhounds. Mr. Arnold stated that the negroes of the Mill Creek section, afteen miles north of Medili, had threatened to burn that place, and were in a turbulent state.

There has been more or less murmuring among the negroes since Abe Wildner was captured in the Indian Territory and brought back into Grayson county and burned at the stake near Red Branch.

Mr. Arnold was given all the information possible as to wint efficers they could appeal to with chance of getting assistance.

Last night about 12 o'clock the negroes were detected in the act of setting fire to the cotton gin of Slover & Sliver at Mill Greek. This gin was burned about a month ago under circumstances indicating that it was the work of an incendiary. There has been more or less murmuring

FATALLY BURNED.

Mrs. E. M. Douglas a Victim of the Coal Oil Can. Sherman, Texas, September 6.—This after-noon about 2 o'clock Mrs. E. M. Douglas of Van Alstyne received fearful and perhaps fatal burns and her son Roy, who went to her rescue, is hadly burned about the arms and face. Mrs. Douglas was heating irons on a portable furnace and a can of coal oil was sitting near it. The explosion which occurred was because of the plosion which occurred was because of the excessive heat taken on by the tin of the can. Mrs. Donglas was enveloped by the flames in an instant. Her son saw her as she ran into the yard and was burned in tearing off her ciothing. Mrs. Douglas is a solid blister from feet to head. Her recovery is very doubtful.

Fatally Wounded by a Negro. Sherman, Texas, September 6.—At Klein's outcher pen this evening a burly negro employed attacked James Creed, a young white man, with a butcher's cleaver and severely cut him about the neck. The wound will likely prove fatal. The negro-resisted arrest and was besten insensible by officers.

Torn to Pieces in a Gin. Sherman, Texas, September 6.-Frank Jer. man, aged 18 years, was torn to pleces and while you are on heard the cars or steam- killed while working in his father's gin a wile and a talf cast of militaweight
